Thank you for your interest in Hope Playschool for your child. We feel we are one of the best, if not the best, preschools in southeast Huntsville. We are small - only forty-four children in the whole school. Our classes are small with a maximum of eight children in a class, with only six in the Two's classes.

We have experienced and/caring teachers who teach to each child's individual needs. Using our abundant resources they develop their lesson plans to reach age-appropriate developmental goals (see the Brochure for 2011-12).

We think you will find our program right for your child.

We invite you to visit our preschool between 9:15-11:45 AM Monday through Thursday.

You may want to look at our website, at www.hopehuntsville.org and click on Playschool.

If you have any questions, feel free to call me at work 256/881-0031.
